ART

Allen Frame photographs his friends and acquaintances in situations that are not fully staged but not as casual as they appear at first glance, either. An exhibit at Gitterman Gallery collects photographs from Mr. Frame's last 10 years of work, including images from Europe, Russia, and Mexico. *Through Saturday, June 4, Wednesday-Saturday, 11 a.m.-6 p.m., Gitterman Gallery, 170 E. 75th St., between Third and Lexington avenues, 212-734-0868, free.*
